

Dear Madam,

Dear Sir,

My name is Arker Phyo. I would like to apply as a Graphic Designer at your organization. I have been working in the Graphic Design industry since 2013.

I am a freelance Graphic & Web Designer for companies and businesses from my own page [Divergent Graphic & Web Design](#). Since 2018, I created artwork and motion videos for **over 30 products**. In 2013, I worked at Pahtama Group Company Limited, one of the largest distribution companies in Myanmar, as a graphic designer. I was responsible for creating promotional item designs, packaging, and advertising designs for P&G, Abbott, Nestle, Brand principles, and various products (such as Ensure, Similac, Glucerna, Olay, Head, and Shoulder, Pantene, Ariel, Chocopie and others. As a web developer, I developed a Point of Sales System for a Store, a Tender Portal Website (Temporarily Pause – mmtender.com) and Learning Management System for a Japanese Language Teacher, and other websites.

I am very interested in this position and I am confident that my experiences and skills align well with the requirements of the position. I want to be part of your team and contribute my abilities to our community as well as my professional growth. I look forward to the opportunity to collaborate with your organization.

Thank you so much for your time and looking forward to seeing you very soon.

Best Regards,

Arker Phyo
